Crooklets Beach

Crooklets beach is great for experienced surfers. Be aware of submerged rocks at high tide though. This beach has a large parking lot, a playground, skate park, a beach cafe and showers and has lifeguards on duty.

world.

Bude Sea Pool

Bude Sea Pool is on the South West Coast Path, above Summerleaze Beach. It provides a safer environment for swimmers, as it is enclosed. However, it is a natural environment so there are still sharp rocks and the bottom is slippery.

Summerleaze Beach

Summerleaze Beach is located only 5 minutes from the center of Bude. It has a large breakwater with a tower that protects the harbour and the mouth of the Bude canal with a lock gate.

Barrel at Bude

The Barrel at Bude is the second largest micropub to open in Cornwall. Its in one of the oldest cottages and in the center of Bude. The bar inside is made from local beach hut timbers that were destroyed in a winter storm.

Edgcumbe Hotel

Edgcumbe Hotel is a beach style B&B, with the look and feel of a small hotel with the heart and soul of a family run business.

Hebasca Hotel

Hebasca Hotel features 23 super-slick bedrooms, each of which has the individual character you would expect from a luxury hotel in Cornwall. Contemporary yet rich and comfortable.
